WHERE INTELLIGENCE
MEETS UNYIELDING TOUGHNESS

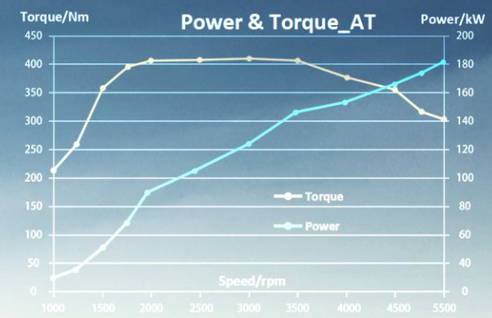

Grand Avenue, JMC All New mid-sized pickup, embodies a perfect fusion of intelligence and unyielding toughness, designed to empower you to conquer whatever lies ahead on your journey. Whether it's your next work assignment, a thrilling recreational outing, or your grandest adventure yet, the Grand Avenue stands ready. As JMC's most capable and versatile pickup ever, it's here to help you embrace the Grand Avenue lifestyle, on your terms.

GRAND AVENUE

POWER & CAPABILITY

Conquer Any Terrain with Confidence

The all-new JMC Grand Avenue is your passport to conquering any terrain and reaching your destination, no matter how challenging the road ahead may be. Just like you, it thrives on taking on every challenge head-on. A steadfast and unwavering companion with the determination to match your own drive.

ENGINE

FEU 2.3L Turbo Gasoline Engine

Powerful acceleration 0-100km/h of 8.8s, 0~60km/h acceleration time -- 4.5s
Low rpm torque 220Nm/1000rpm
Fuel consumption as low as 8.7L per 100km
Three times winner of the "Global Ward's Ten Best Engines" award

In 4L mode, the front and rear output torque is 1:1, more capable of getting out of trouble.
In 4L mode, the torque can be amplified 2.48 times, which can meet various off-road needs.

EXTERIOR DESIGN

Powerful Presence, Exceptional Convenience

JMC Grand Avenue boasts a robust and imposing overall appearance.

LED daytime running lights and square-shaped LED clearance lights, showcasing the rugged, commanding, and powerful aesthetics of pickup.

Square wheel arches

Robust **15cm** wide side steps

Rear doors' **75°** wide opening angle, make getting in and out of the vehicle more convenient.

Cargo box lighting optional, to facilitate nighttime loading and unloading.

Rear Box Side Step optional, creating a strong, stable way to access everything in the cargo box.

Off-road Capability, approach angle of 30°, departure angle of 26°, minimum ground clearance of 235mm, and maximum wading depth of 800mm.

Industry-leading minimum turning radius of 6 meters, making it easy to maneuver.
Excellent NVH performance, undergone wind tunnel testing, perfect aerodynamic design with a drag coefficient of only 0.38.

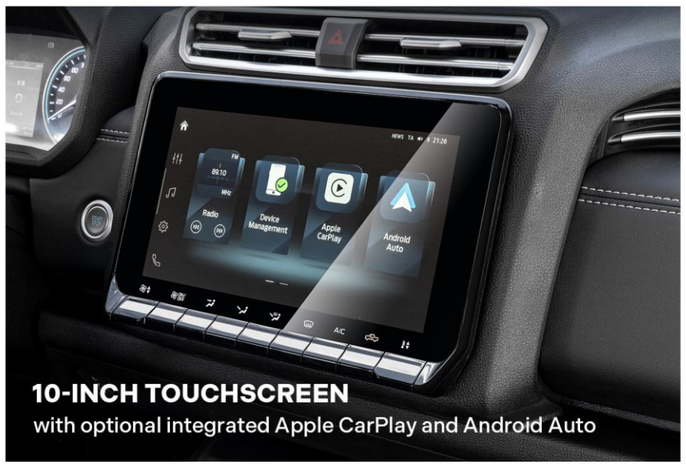

INTERIOR DESIGN

Elevate Your Drive with Innovative Comfort and Convenience

Two interior trims—North Star Black& City Grey + William Grey(Optional dual color).
Newly designed multifunctional steering wheel, allowing you to control cruise speed, music, and radio settings.

ONE-BUTTON START
Keyless entry and one-touch start

10-INCH TOUCHSCREEN
with optional integrated Apple CarPlay and Android Auto

USB+SOCKET
Two USB ports and one 12V power socket in the front row

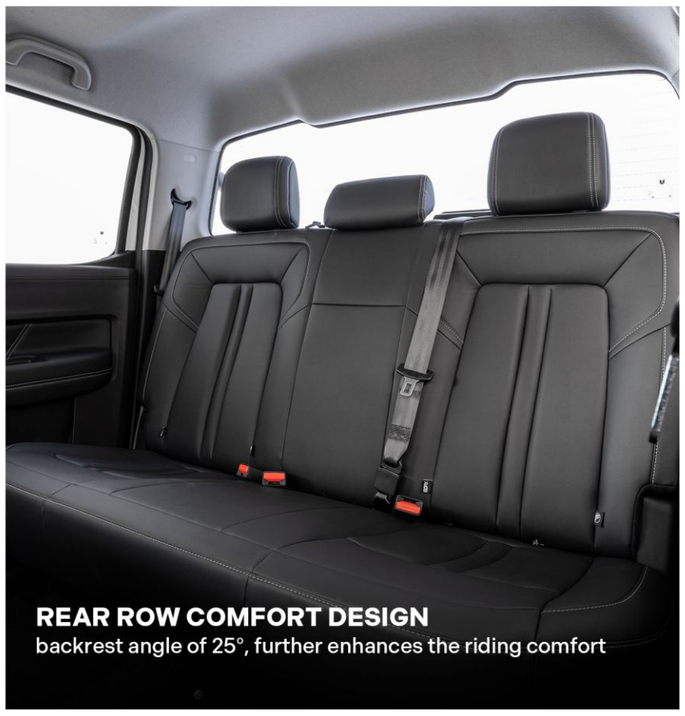

STORAGE DESIGN
Storage space under the gearshift lever, larger and more convenient storage space.

CONDITIONING VENTS
The hidden air conditioning vents, a futuristic design that runs across the entire center console

SIDE ARMREST
Front passenger side armrest, providing both aesthetics and practicality.

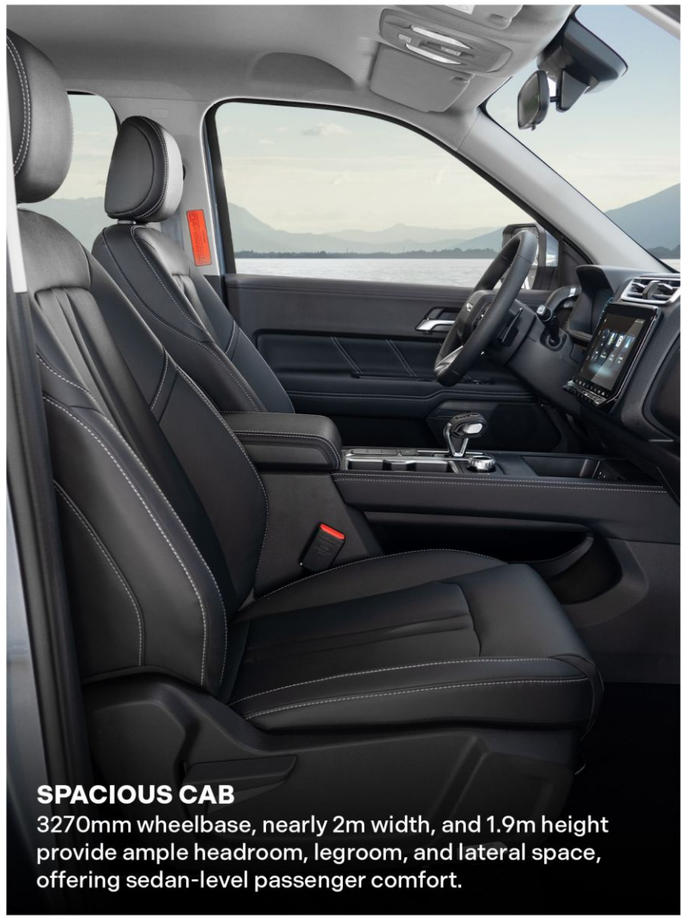

REAR ROW COMFORT DESIGN
backrest angle of 25°, further enhances the riding comfort

VERSATILITY

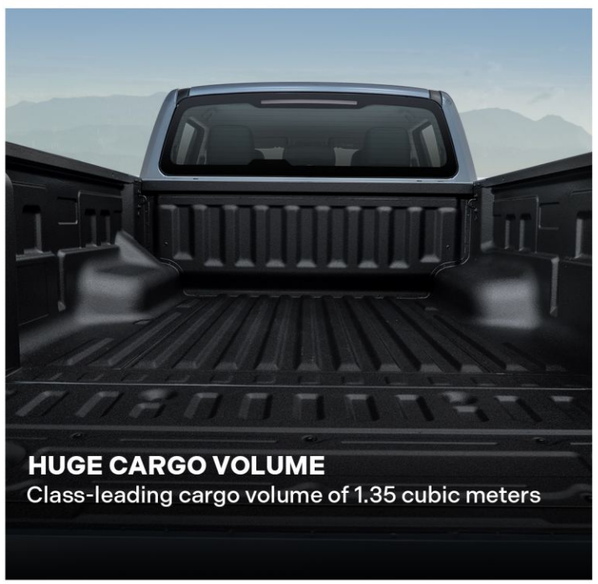

Unlock Adventure with Unrivaled Comfort and Versatility

Packed with an array of exciting features, it's designed to fuel your passion for adventure and enable you to pursue all your desires. Whatever the next chapter holds, trust the Grand Avenue for unbeatable functionality and versatility.

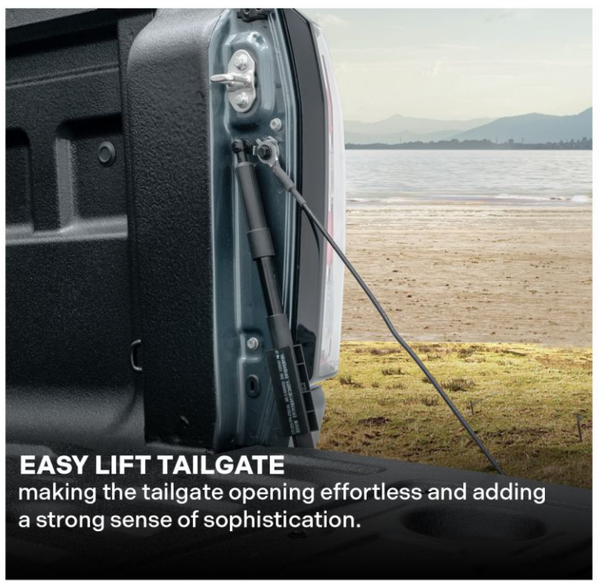

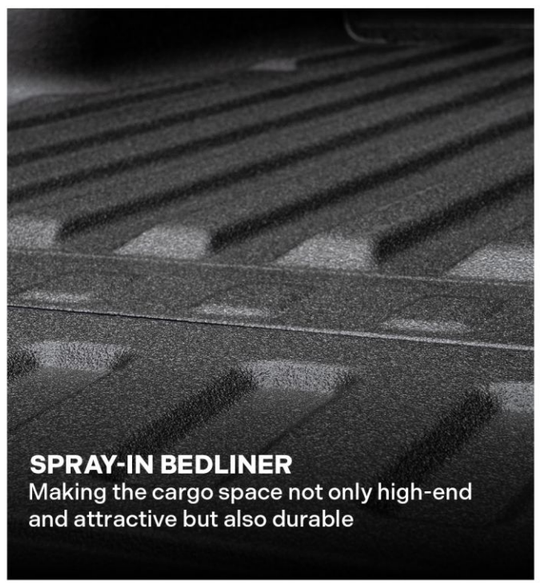

SPACIOUS CAB
3270mm wheelbase, nearly 2m width, and 1.9m height provide ample headroom, legroom, and lateral space, offering sedan-level passenger comfort.

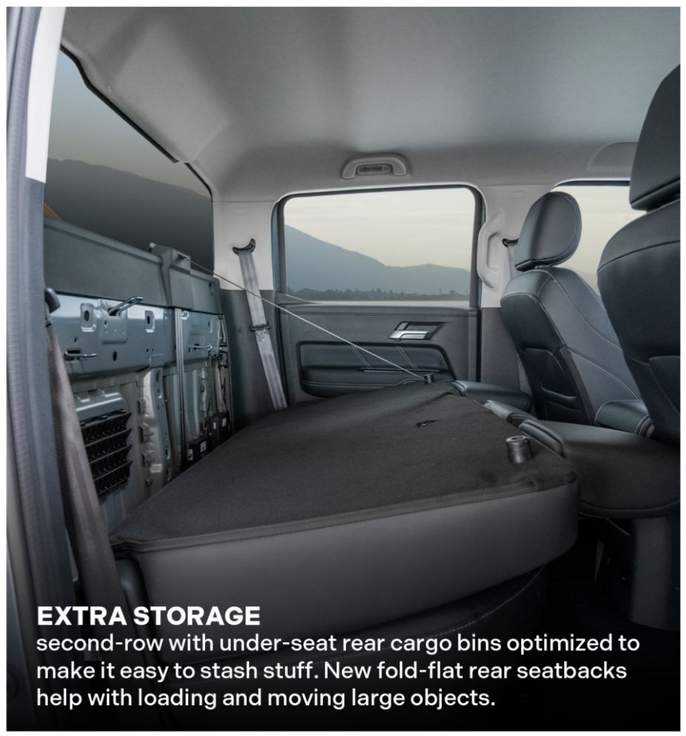

HUGE CARGO VOLUME
Class-leading cargo volume of 1.35 cubic meters

EASY LIFT TAILGATE
making the tailgate opening effortless and adding a strong sense of sophistication.

SPRAY-IN BEDLINER
Making the cargo space not only high-end and attractive but also durable

EXTRA STORAGE
second-row with under-seat rear cargo bins optimized to make it easy to stash stuff. New fold-flat rear seatbacks help with loading and moving large objects.

Bosch ESP

Dual airbags + side airbags

Rear parking radars and a camera for easy and safe reversing.

Front fog lights and two front radar sensors.

SAFETY

Safety and Reliability Redefined

Your safety and peace of mind always come first. Our all-new Grand Avenue is equipped with cutting-edge safety features to ensure your journeys, whether on or off-road, are filled with confidence and security.

LARGE VENTILATED BRAKE DISCS

with a front disc diameter of 334mm and a rear disc diameter of **337mm**, achieving an industry-leading braking distance of under 41 meters from **100km/h** to 0km/h.

PRESSURE MONITORING

Independent tire pressure monitoring system, to ensure comprehensive driving safety.

CABIN BODY

High strength and corrosion resistant body, cabin body with a high-strength steel content of **65%**. The entire exterior is covered with **100%** galvanized plates, ensuring exceptional anti-corrosion performance.

CHASSIS

High strength and corrosion resistant chassis. The longitudinal beam's section thickness is **182.3mm**, with a chassis carrying capacity of **3.2T**. It boasts an exceptional towing capability of **3.5T**. The chassis has undergone a 1008-hour salt spray test, got strong corrosion resistance.
